

# Computers and Learning

## **HELP**

MUSE is a national organisation which exists to help all those involved in education to make effective use of small computer systems in the promotion of learning.

## **SOFTWARE**

MUSE has an extensive range of educational software suitable for home as well as school use. Members can buy this software at modest cost. MUSE is active in the development of educational programs and is one of the world leaders in educational computing activity.

## **PUBLICATIONS**

MUSE publishes four editions of "Computers in Schools" and two special "Reports" annually; these are distributed free to members. Other booklets and leaflets published by MUSE provide specialised learning material and valuable information.

## **COURSES**

MUSE holds an annual conference and arranges regional and national courses for everyone from the absolute beginner to the experienced user.

## **INSURANCE**

MUSE can arrange insurance for members' computer equipment at competitive rates.

## **CO-OPERATION**

MUSE works with industry, local authorities, parents, teachers and government bodies.

## **MUSE**

MUSE is a professional organisation run for the benefit of teachers, parents and children.

by standing order	£13.50
Student membership	£10.00

**Western Europe:**

Individual membership	£18.00
-----------------------	--------

**Other countries:**

Individual membership	£20.00
-----------------------	--------

These rates came into force on 1st February 1984 and are subject to change in 1985 and thereafter.

**Note:** UK student membership applications must be accompanied by payment and must enclose an endorsement by the student's place of education stating that the applicant is a registered full-time student.

### Membership Registration

New memberships will be registered from the cover date of the current MUSE journal and will run for one year. Please note that registration will not take place until payment has been received by MUSE: this may take a number of months if the subscription is placed by LEA requisition.

Upon joining, members will be sent the current MUSE journal, details of publications, software, insurance etc. New members will also receive a card showing their membership number. Please keep this card safely as the number is required when claiming preferential rates on software orders, conference fees etc.

When completed, the entire application form opposite should be sent to:

MUSE  
P.O. BOX 43  
HULL  
HU1 2HD

which is the address for all correspondence. Telephone enquiries may made on 0482 20268 (24 hour answering service).
