Using an Enterprise 1 and Comms Pack, and connecting to Prestel (free enclosed application form) via your computer, you would be able to download 1000's of free Programs which include Games (play a different game every day), Utilities and Business Software.

For the business user, Telex and Electronic Mail will ensure speedy transfer of important business information in addition you can book Holidays, Hotels, Plane, Rail, Theatre and Bus Tickets. You have the same equipment as the Travel Agent. The Enterprise also gives you Home Banking and Home Tele Shopping, you can even buy Stocks and Shares and check Market Trends, from the comfort of your own arm chair.

Talk to the world via your own Mail Box on the popular Micronet and Prestel Data Bases. Be in touch with the latest information and reviews.

This and much more is offered by the exciting World of Comms.
