

# The DEMON modem

**For the BBC Model B computer**

# *The DEMON MODEM*

## A FULLY AUTOMATIC MODEM AT A FIENDISHLY LOW PRICE

Unlike most modems, that cost considerably more, this one has **ALL THE FEATURES** just look at the list opposite.

What is more, it is designed to be **EASY TO USE** even if you have never used a modem before.

The new user guide is very simple to follow and tells you how to get the full benefits from **The ORIGINAL LOW COST MODEM**

It is available at selected computer shops and directly from us the **MANUFACTURER**; which means we are able to offer it at this low price and still give you support should you need it.

We also have complete control of the quality and build it to the same standards as the products we supply to BT, and whilst this modem is not BT approved, the components we use are.

We also offer a money back guarantee, now extended to 12 months for registered users.
