XOR

XOR Designer holds the secret of XOR, the maze game which bends your mind with its labyrinthine puzzles.

YOU can acquire *the secrets of the labyrinth!*
YOU can take on the *mysterious mantle of XOR!*
YOU can *become a Master of the Maze!*

XOR Designer enables you to enter into the World of the Labyrinth - as Master of the Maze! You will acquire the power and shadowy stealth to create pitfalls and puzzles worthy of The Maze!

But beware! - as a Master of the Maze you'll need super-human ingenuity and mental acrobatics to outwit your challengers!

XOR Designer features:

The *Maze Designer* - a screen showing the whole maze, with an easy system for selecting and placing icons. You can edit existing mazes or start from scratch - even lock mazes to deter the inquisitive gaze of the uninitiated!

The *Icon Designer* - deepen the mystery of any maze by changing the Faces of XOR - edit the existing icon set, or completely redesign your own. We supply you with the original XOR icon set *plus* another completely new set.

The *Game Player* - load a maze from disk, choose an icon set, and your labyrinth is ready to confront any challenger! The Game Player includes facilities for screendumps and saving solutions to disk. We supply levels 4 and 5 of the original XOR, and the saved solution to level 5!
