Our range of products include:-

5¼" DISC DISPLAY/WORK FOLDER

This product has been specifically designed for use with **DESKTOP PUBLISHING SYSTEMS** although it can be put to many other good uses both in the home and office. Each folder opens out to reveal two rows of **untearable** disc sleeves, 12 in total. These are carefully positioned to allow the top 30mm of each disc to be visible, thus aiding the easy identification of labels without having to thumb your way through plastic storage boxes. Folders measure 305 × 180mm approx (the same height as a normal A4 folder), and are attractively finished in red with a padded hardback cover. Extra disc labels are also supplied and each folder comes complete with its own plastic dust cover.

5¼" DISC DISPLAY/WORK BOARD

Although similar to the display/work folder described above, this product is larger and is designed to hang on a wall, thereby allowing easy access to your discs and extra space around your work area. There are three versions of this board available.

Version 1. is capable of holding 24 5¼" discs.

Version 2. is capable of holding 16 5¼" discs, with a clip attached to hold A5 size paper.

Version 3. is capable of holding 12 5¼" discs, with a wipe on/wipe off board.

Each board is attractively finished in red and comes complete with extra disc labels.

MAGAZINE BINDER

A general purpose binder for holding your favourite magazines. Each binder is attractively finished in red to match the other products in our range.

BOOK COVER

A general purpose cover designed to hold most A5 size books (computer manuals etc), attractively finished in red to match the other products in our range.

CLIP BOARD

This board is designed to hold A5 size paper or notepads. It is ideal for the computer user who usually finds him/herself surrounded by pieces of paper. Each board is easily attachable to your desk/wall and is attractively finished in red to match the other products in our range.
